

Featured in the **SEPTEMBER 2017** issue of **Mt. Lebanon Magazine**

The Fall to-do list is a long one... cleaning gutters, trimming trees, inspecting the furnace and fireplace, exterior and interior painting, fall planting, sealing the driveway, —all the way to remodeling projects and preparing the car for winter driving.

Our research shows that more than one-third of Mt. Lebanon homeowners significantly update and improve their homes every year.

Mt. Lebanon residents are serious about home maintenance and improvement. They want specialists they can count on. And they find them in **mtl magazine's Fall Fix-Up Guide.**
